

December 2020 Press Release – Simtec Systems

Simtec Systems receives Asia Attractions Golden Crown Award in Two Categories

Simtec Systems has received two Asia Attractions Golden Crown Awards in the categories Outstanding Thrill Rides Supplier (International) for the HEXaFLITE[®]72 Flying Theater “Yunnan in the Air” in Kunming Sunac Land and Outstanding Big Rides Supplier (International) for the HEXaFLITE[®]72 Flying Theater “Jiangsu in the Air” in Wuxi Sunac Land.

Both systems for 72 guests each are equipped with spherical LED screens. These LED screens provide pin sharp pictures and were first successfully used in Sunac Land Wuxi and Guangzhou followed by system handovers in Kunming, Chengdu and Chongqing in 2020. With the brightness and sharpness of the LED screens in combination with Simtec’s dynamic motion systems the total flying theatre experience has reached a new level.
